

Archer Electrical

CASE STUDY/RETAIL/ 025 DEC 09

CLIENT: FOYLES BOOKSTORE  
LOCATION: Charring Cross  
DESCRIPTION: Full Electrical Installation  
DATE: December 2009

In time for Christmas we have completed the electrical installation to the new Retail Area to the Ground Floor at Foyles Bookstore in Charring Cross, London.

Our element of works included for the supply and installation of new Hacer lighting, comprising of low energy downlighters, CDMT Spotlights, Asymmetric wall-wash and external 70wat HQI industrial floodlights. Power and data requirements were completed together with the heating and ventilation wiring, we also took care of the new C.C.T.V. requirements.

Charring Cross is Foyles flagship store and is London's largest bookstore and stocks over a million books on four floors. It also has a music section and jazz café.
