

Archer Electrical

CASE STUDY/RETAIL/ 053 SEPT 2014

CLIENT: MAC
 LOCATION: Cardiff
 DESCRIPTION: Full Electrical Installation
 DATE: September 2014

Another UK Shopping Centre project for Archer Electrical saw us undertake the full electrical installation within St David’s Centre, Cardiff for MAC cosmetics. MAC is an iconic beauty range featuring cosmetics, skincare and make-up accessories.

Adding to our extending client list, this was our first project for 2013 Retail Week Shopfitter of the Year; Cumberland Construction.

The entire electrical installation was completed in accordance with MAC’s innovative electrical design concept in accordance with the St David’s Centre fit-out Manual.

Testimonial:
 What the client said:

“Archer Electrical were recommended to us as a company who undertake electrical Shopfitting installations to a very high standard. This was demonstrated to us in the undertaking of this project. Archers displayed a high level of service and performance which helped Cumberland Construction to successfully deliver the project to the client.”

John Watts
 Project Manager
