

Archer Electrical

CASE STUDY/RETAIL/076 APRIL 2018

CLIENT: THERAPIE CLINIC  
 LOCATION: Overgate Centre, Dundee  
 DESCRIPTION: Full Electrical Installation  
 DATE: April 2018

Healthcare is a sector in which Archer Electrical continue to undertake projects on a regular basis.

In addition to working within Hospitals and Medical Centres we have completed numerous electrical installations for Lloyds Pharmacy, Specsavers and Superdrug.

Working closely as a team with the Principle Contractor Caledonia Contracts and the Architects Oberlanders we undertook the full electrical installation for the fit-out of an existing retail unit within Dundee’s Overgate Centre for Therapies new Laser Treatment and Beauty Shop.

This was our first installation for Europe's leading laser hair removal specialists and following the successful completion of the Dundee Clinic we are pleased to be have been appointed to undertake Therapie’s next opening in the Metro Centre, Gateshead.

Testimonial:  
What the client said:

“We have previously worked with Archer Electrical and happy to see them appointed as the Electrical Contractor for Therapie . Archers are an experienced contractor who always shows a great deal of professionalism which makes them a pleasure to work with. They delivered the Electrical Installation for Therapie Dundee to a very high standard without a single snag item on handover..... well done to all the team and we look forward to working with you on Therapie Gateshead”
