

Archer Electrical

CASE STUDY/ RETAIL/ 087 FEB 2019

CLIENT: Time & Gems
LOCATION: Bicester Village
DESCRIPTION: Full Electrical Installation
DATE: February 2019

Yet another project completed by Archer Electrical at Bicester Village.

Time & Gems boutique adds to our impressive portfolio for successfully delivering electrical installations at Oxfordshire's Designer Shopping Outlet which includes Prada, Max Mara, Bironi, Diesel, Churches, Sergio Rossi, Devialet and Valentino

Time & Gems offer high-end brands of luxury jewellery and watches such as Gucci, Rolex, Breitling and Cartier and are unmatched by other retailers and considered one of the largest collections in the world.

Archers successfully undertook the full electrical installation within a limited schedule, enabling the store to open on time.

"Our clients within Bicester Village appreciate our knowledge of the shopping village's requirements and specifications and we work closely with the Bicester Centre Management to ensure all commissioning and certification is provided to their satisfaction, promptly, in order to enable smooth openings for trading".

Jon Mowberry
Senior Project Manager – Archer Electrical
