

Archer Electrical

CASE STUDY/RETAIL/ 020 NOV 11

CLIENT: WAREHOUSE
LOCATION: Nottingham
DESCRIPTION: Full Electrical Installation
DATE: November 2011

Archer Electrical worked in collaboration with the principle contractor and designers to introduce a new concept to the existing warehouse store in Nottingham.

Part of a group of stores including Coast and Oasis Warehouse are looking to roll out this revised concept across the UK and internationally throughout 2012.

Testimonial:
What the client said:

"Archer Electrical have carried out a number of contracts for Barlow's Group and we have found them to be efficient and conscientious, their work is always to a very high standard."

Neil Armstrong
Project Manager Barlow's Group
